1984 PREMIER SALE

“SUPERIOR SALE BIDDING MOST ACTIVE IN PAST FIVE YEARS”

—COIN WORLD

We would like to thank the many collectors and dealers who participated in our recently concluded 1984 Premier Sale held on January 30, 31, February 1, 2. . . We were most gratified to see so many collectors and dealers in attendance, at times numbering as many as 150. Not since 1975 have we received such an enthusiastic response with nearly 1,000 mail and phone bids on the 3,900+ lots of American and Mexican coinage.

The prices realized added up to a healthy 1,702,650.50. This was an up-beat sale with numerous coins fetching far in excess of their estimates. Not since our Bernard Turkus Sale have we seen such excitement generated on the

auction floor. One highlight of the sale was the 1921 \$20 gold piece which last appeared in Stack's session of AUCTION '82 as lot 447, where it realized a respectable \$32,000.00. It opened at \$20,000.00, and after frenzied bidding to the \$40,000.00 level there were still six hands raised. The coin was finally knocked down to a collector (the collector who purchased it actually has another choice example. However, he purchased this piece for the obverse) for \$57,750.00.

Superior is now accepting consignments for the Fall 1984 sale. If you are thinking of selling any or all of your numismatic property call and speak to either Ira, Larry or Mark Goldberg.

Reagan Inaugural Solid Gold Medal

The issue price of this beautiful official inaugural medal was \$975.00. Each is serially numbered and the total issue was limited to 2000 pieces. The medals are struck in 14kt gold and the weight of each medal is 17.6 dwt. That is close to an ounce and our price makes this a great buy. Packaged in the official case of issue we have a limited number of medals at the lowest price seen in the market place. Remember as the next inaugural approaches, and the current experts predicting that Reagan will once again be elected the new medals will be collected by people seeking the old medals once they discover the tradition behind the medals. A very special opportunity at just \$750.00.

Gold Solidus of Theodosius II

Theodosius, Eastern Roman Emperor at Constantinople, was a gentle and scholarly man. His generals defeated Persian (Sassanian) invaders in 422 and 447, but campaigns against the Vandals, who had occupied most of Roman Africa in 429 ended in failure. Theodosius' policy of appeasing the mighty Hun leader Attila did not prevent massive Hun invasions of the Danubian provinces in 441 - 443 and 447. His reign also had to deal with a major religious dispute.

In 428 Theodosius invited Nestorius to become bishop of Constantinople, and at his behest, issued an edict against heretics. Nestorius was zealous in their suppression, however soon after he preached a sermon in which he objected to the title of Theotokos (Mother of God) as applied to Mary . . . and himself was accused of heresy.

A church council was convened in 431, and Nestorius was condemned and removed as bishop by Theodosius. Eventually, Nestorius was exiled to North Africa where he wrote the Book of Heraclides of Damascus in defense of his teachings.

While Nestorianism was crushed within the Roman Empire, it survived outside its borders and still has a few adherents in present day Iraq, the U.S.S.R., India, Iran, Syria, and North and South America.

We are pleased to offer exceptional Mint State examples of these 1500 year old gold coins that were minted in the twilight years of the Roman Empire. The obverse features a facing portrait of Theodosius II surrounded by his name and titles in Latin. The reverse shows a draped seated figure holding one of the most ancient Christian symbols - the orb (a sphere topped by a cross). The name of the mint CONOB (Constantinople) is below.

Our low hoard price is what you might pay for a gold coin minted in 1984 . . . but this is a genuine golden relic from over 1500 years ago! First come - first served. A telephone call is recommended due to the limited quantity we have available.

CUNEIFORM TABLETS

ONE OF THE EARLIEST EXAMPLES
OF WRITING!

ONE OF THE OLDEST RECORDS
OF BUSINESS TRANSACTIONS!

A UNIQUE PIECE OF ANCIENT HISTORY!

Two thousand years before the time of Jesus . . . about the time that the Patriarch Abraham left his home in Ur to establish Judaism in the Holy Land . . . "documents" were recorded by using cuneiform characters impressed in clay tablets in the land of Ur. These documents are each unique and give us a clear insight into life in the Middle East, four thousand years ago.

Superior is privileged to be the first to offer these genuine cuneiform tablets. They have been preserved, deciphered and authenticated by the experts in the Sterling Memorial Babylonian Collection Department at Yale University. Each cuneiform tablet is accompanied by a letter from Yale with a full description of the characters found on that particular tablet.

Because we think you should not miss this unique opportunity, we will permit layaway plans of \$65 down and \$50 per month. Or, if payment is made in full you can receive your cuneiform tablet immediately.

But before you make up your mind, read about the tremendous historical significance of these 4,000 year old tablets:

THE HISTORICAL SIGNIFICANCE

In the opinion of some great thinkers, the invention of writing was the real beginning of civilization. It is so fundamental that one is astonished that it appeared so late (c. 3,000 BC) in the development of mankind.

One of the earliest forms of writing was "cuneiform;" its name derives from the fact that it was written by pressing wedge-shaped marks into clay. Originally pictographic in nature, the symbols soon lost any resemblance to the objects they were originally supposed to represent. Cuneiform writing was passed from the Sumerians to the Babylonians and Assyrians (e.g. at Ur) and on to the Hittites, the Persians, and other peoples.

THE CITY

In the book of Genesis (11:31), it is written that "Terah took Abram, his son, and Lot, the son of Haren, his son's son, and Sarai, his daughter-in-law, his son Abram's wife; and they went forth with them from Ur of the Chaldees to go into the land of Canaan."

Having access by river and canal to the Persian Gulf, Ur was the natural headquarters of foreign trade. According to the Encyclopedia Britannica, "many hundreds of clay tablets show how foreign trade was organized."

THE TABLETS

The tablets, which we now offer, all document business transactions, and they range in length from about 1 to 2 inches. Each one has a unique inscription; we supply the summary made by the Yale scholars. These tablets document the delivery of grain . . . receipt of slave girls . . . record of grain rations . . . deliveries of lambs . . . record of workmen . . . delivery of gazelle . . . receipt of reed baskets . . . expenditure of beer . . . record of wood, reed and bitumen . . . deliveries of baskets of fish . . . receipt of silver . . . oil allotments . . . account of cereals . . . receipt of rent . . . and so on.

In addition to the inscription summary, many tablets are dated to the year, month and sometimes the day, since this information is also contained in the inscription. Actual dated examples include "the third month, the 26th day in the fourth year of Amar-Sin's reign" (i.e. 2043 BC), and "the seventh month in the third year of Shu-Sin's reign" (i.e. 2034 BC).

RARE OPPORTUNITY

We don't know of anywhere in the world you can buy similar ancient tablets in excellent condition, authenticated and interpreted by scholars . . . and certainly, should you locate one, it is most unlikely that it would be priced so moderately. Just \$165.00. We have seen, on rare occasions, similar cuneiform tablets offered for \$350 to \$500!

Nothing you own or can own can be of such historical significance at such a low cost as these 4,000 year old cuneiform tablets from Ur, the home of the Biblical Patriarchs. An early order is recommended, since we have only a very limited supply! Telephone reservations will be accepted.

Each tablet will be accompanied by a certificate of authenticity provided by the BABYLONIA COLLECTION YALE UNIVERSITY and translated. This certificate is suitable for display or framing!
